FAITHFUL GOD

Once again it is the festive season, the busiest time of the year. We thank God for his faithfulness throughout the whole year. We would not have achieved anything that we were able to achieve if it was not for the LORD.

We would also like to challenge everyone to refresh and reflect on God's faithfulness throughout the year. There has been a lot of things we may have wanted to achieve but could not, but also there has been amazingly great things that we were able to achieve.

We would like to wish everyone of who read through this newsletter, a Merry Christmas and a Happy New Year. May the goodness of our Lord be with you all so that you effectively progress in everything you do.

We also would love to take this opportunity to appreciate all our ministry partners and everyone that plays a part in the success of this ministry even by reading the issues we send.

Thank you

WOMEN MINISTRY HOST SUCCESS AT SCHOOL TOT

Women Ministry hosted a Success at School Training of Trainers (TOT) workshop at Campus Crusade for Christ Hall, in Mbabane, Eswatini.

Though scheduled to be a four day training from the 15th to 18th November, the training eventually commenced on the 16th because of a political unrest that occurred on 15 November 2022.

The workshop was attended mainly by educators as the majority of participants were teachers, lecturers, and school principals who vowed to implement much of what was learnt after the training, and also expressed their excitement about the contents of the educational materials.

This was a national training that brought participants from different parts of the country. Having sent invitations letters, the reception from the institution was very positive. Some of the institutions that agreed to partner with Campus Crusade for Christ Eswatini for this initiative include; Eswatini Medical Christian University (EMCU) which

provided three of its lecturers as facilitators, Limkokwing Univeristy of Creative Technology, African Christian Leadership College, Mbuluzi High, Embo Methodist, Londunduma High, Masibeka High, Mbuluzi Primary, Ndzingeni High, AEC Mbabane, Young Eagles Pre School, Ezulwini Valley Pre School, Motshane Assemblies, Nkwene Primary, Mbabane Central and Nyetane High among others.

Study With Success program founder, and author of the modules used in the training, Urs Wolf from Institute Life Success was the main facilitator, having travelled all the way from Switzerland to Eswatini for the workshop. It was the first time that he visit a country twice in the same year as he also came for the Study with Success Training of Trainers in April this year.

31 participants graduated with the silver certificates, most of whom were educators. On 11th December 2022, 20 of the 31 participants returned for practical presentations of what was learnt in the workshop where they graduated with gold certificates.

CAMPUS CRUSADE ESWATINI HOSTS A SUCCESSFUL PARTNER'S DAY

On 19th November 2022, the local ministry hosted a Partner's Day at Mountain Inn hotel in Mbabane. Urs Wolf was the main speaker in the event having been in the country facilitating the Success at School TOT workshop.

The partners day is a day where Campus Crusades for Christ (CCC) recognize and celebrate its ministry partners. These are people who decide to partner with the ministry by supporting the CCC missionaries and ministry at large financially.

Board member and TRIOME CEO, Reverend Sydney Kunene was the MC of the day.

Speaking at the event, NTL Samson Nzima presented a message of gratitude to the partners, and emphasized that all Campus Crusade missionaries are in full time ministry and depend on partners for their salaries and ministry needs. He also encouraged the staff saying they should always depend on God who prepares specific people for everyone.

One of the partners testified on how God blessed her with a promotion at her workplace right after she increased her support to a CCC missionary even though her husband had just retired.

Campus Crusade for Christ Eswatini continuously express its gratitude to every partner it has and to everyone who is yet to join the ministry partners team. The success of the ministry is a clear indication of how faithful you have been in honouring God by being a good steward of the finances he has given you.

SOME PARTNERS INCREASE THEIR SUPPORT

After the Partner's Day some partners increased their support, pledging a bigger fee than they had committed themselves to giving before. Others who might have not increase their support pledged to continue supporting the ministry.

PARTNERS SUPPORT MULTIPLE STAFF

It is also worth noting that some partners chose to support multiple staff members and that is greatly appreciated by the ministry as is any form and amount of ministry support.

10 NEW PARTNERS JOIN THE CCC MINISTRY

After the Partners Day, 10 new partners registered to support the ministry by pledging to a staff member or giving to the national ministry.

ANYONE CAN PARTNER

AFRICA OPERATIONS TRAINING IN KENYA

From 1st to 4th November 2022, LIFE Ministry Kenya hosted 22 nations for the first edition of the Africa Region OpsFC F2F gathering. Mzwandile Nkambule was sent to represent Eswatini.

The training was focused on encouraging the organizations' operations offices to use the available ministry resources and systems to see a fully functional and effective ministry for each country. Much was absorbed from the training which was like a mirror or a guide that determines each ministry's status when it comes to using the available systems of the organization.

Mzwandile expressed his deepest delight with the training by saying; "It was very eye opening and transformational, I am very much confident that we can be able to improve where we lack as a ministry."

CCCI & Cru Leadership Development
ISRAEL STUDY TOUR
Eswatini Report

By Sibusiso Mlambo

Sibusiso Mlambo posing at the Jerusalem Western Wall

On 29th October 2022, I left Eswatini to attend the CCCI & Cru Leadership Development Israel Study Tour, which lasted until 10th November 2022.

The study tour was part of CCCI & Cru leadership development program which focuses on equipping leaders across all countries where Campus Crusade for Christ is active. The tour leaders included Bill Hodgson, Stephen Dell, Wade Mantlo and John Ellis among others.

From the first day, there was an orientation meeting that focused on *Jesus' model of making disciples*. This became the theme of the whole tour as leaders explored the geographical locations Jesus lived and visited throughout his ministry.

Some of the places that were toured include; Old city walls of Jerusalem, Israel Museum, Sepphoris,

Madgala, Mount Olives, Herodium, Nativity Church, Jordan River, Qumran, Wadi Qelt, Temple Mount, Pool of Bethesda, The Western Wall, Mount Arbel, Nazareth Village, Dan, Peter Noster, Korazin, Capernaum, Mount Dan, Nof Ginnosar, Kursi, Caesarea Phillipi, Beth Shean, Decapolis, The Church of Primacy, Upper Room, Garden Tomb, Wohl Museum, Dominus Flevit Chapel, Caiphus House, Via Dolorosato, Church of Sepulchre and the Southern Steps of the Temple Mount.

The *Jesus Model of Making Disciples* was evident and clearly explained as we toured the different places. Throughout the study, 5 phases were identified in Jesus' journey while building the movement of multiplying disciples.

These phases were:

1. The Preparation Period (birth, youth, baptism)
2. Ministry Foundations (temptation, disciples)

3. Ministry Training (Call of the four)
4. Expanded Outreach (6 fishing-for-men, etc.)
5. Leadership Multiplication (where he appointed, and sent the 12 and 72, etc.)

When I arrived back in Eswatini, I was eager to share the newly found information and experience with the team, so we organized a training where all the CCC Eswatini staff partook.

We printed the framework process in A4 papers, distributed it to everyone and watched the video that detailed how Christ built his movement. After watching the video, we had a deep discussion on how his ministry related to the 5 phases according to the framework.

We also identified our loopholes in our ministry in relation to how we currently Perform in relation to discipleship. We also identified the importance of having individual work for every staff in relation to sharing the gospel and building, training, and sending multiplying disciples.

We also highlighted the importance of being intentional in the discipleship process and helped our new staff in identifying themselves more with CCC discipleship tools which was something they were not immensely engaged in as they are with evangelism tools and strategies.

Once again, I would love to thank God and everyone that made my trip to Israel a success.
